

## 1. The back-end

The Back-end will be your best friend during your journey with Hotel Treats. Here you will be able to manage your stocks and availability, check your invoices and track the sales through your online shop.

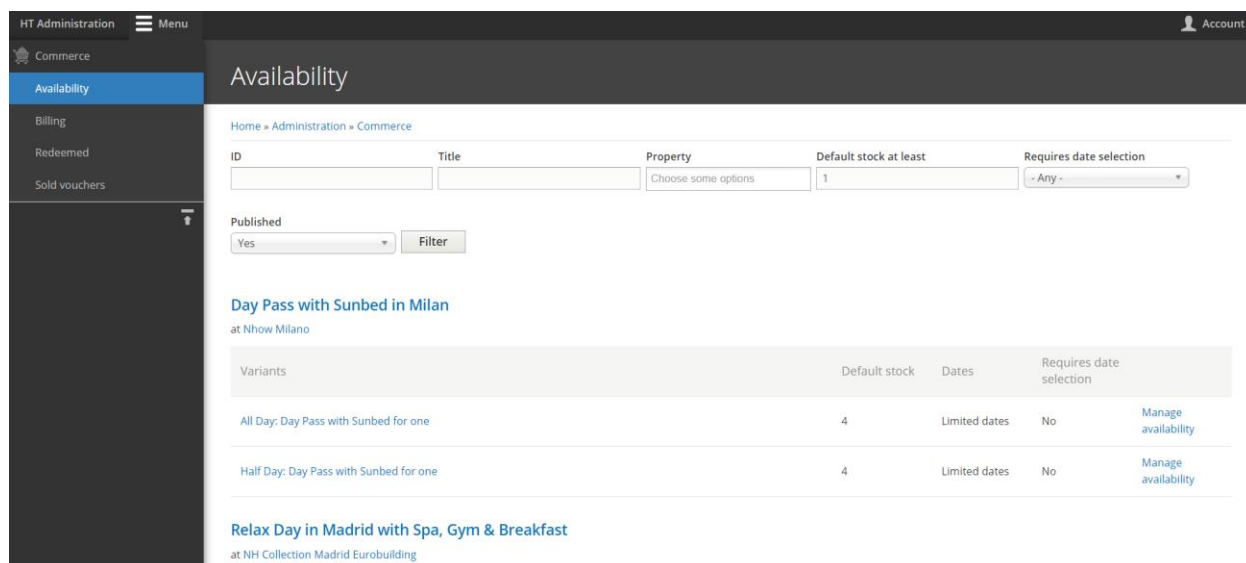

Once you log in, you will access to the back-end of the online shop of Minor Hotels. As you can see, right on top there is the menu, where you can access all features:

## 2. Availability

At this tab you will be able to check your stock and manage the stock of your experiences that are bookable via an online calendar. You can close sales, reduce stocks or increase the available stock for your experiences.

To check the loaded availability, you can use our filters so that it is easier to find the experience of your interest. Otherwise, all experiences related to your property will be shown below.

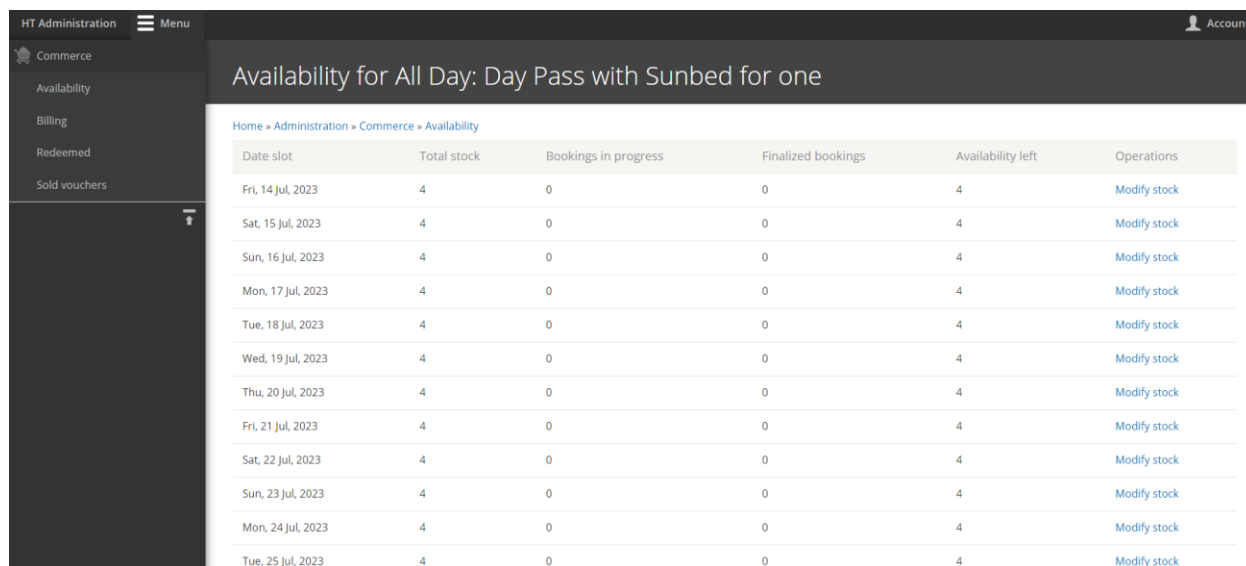

To check the availability of one experience, please click on the name of the experience or on *Manage Availability*. Then you will be able to see the current stock loaded for the experience. Here you find the following information:

**Total stock:** Total stock including confirmed bookings for one specific date.

**Bookings in Progress / Finalized Bookings:** Number of confirmed bookings for one specific date

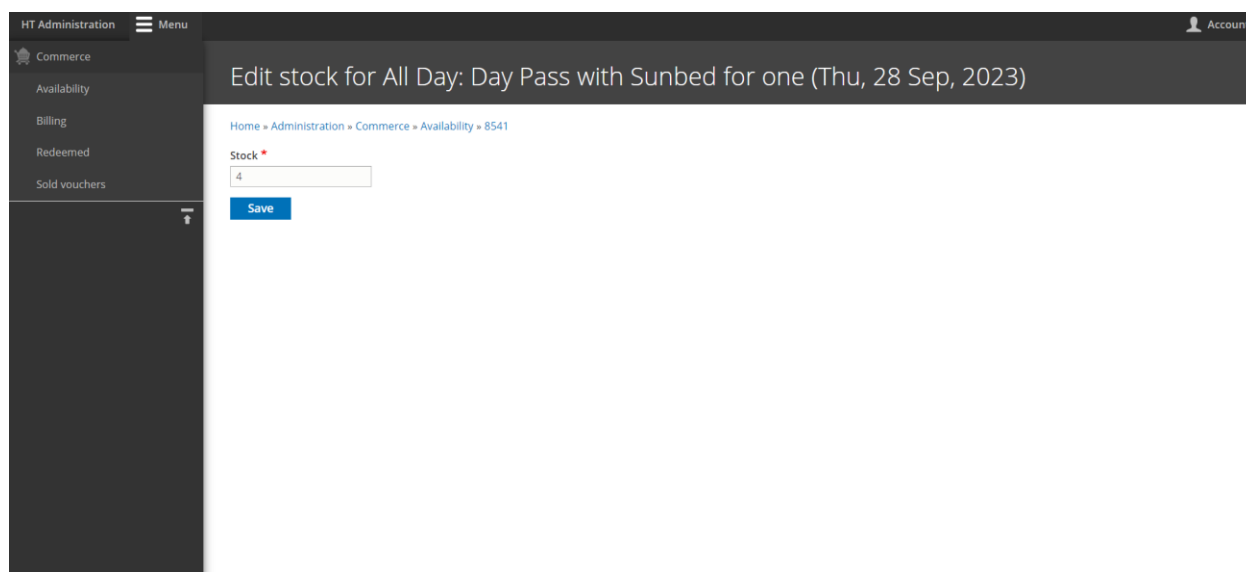

**Availability Left:** Available stock for one specific date

The screenshot shows the 'Availability for All Day: Day Pass with Sunbed for one' page. The left sidebar contains a menu with 'Commerce' selected, and 'Availability' is highlighted. The main content area displays a table with the following data:

To amend the stock of one specific date, please click on *Modify Stock*. Then you will be able to select a new Total Stock for one specific date. Please, note that confirmed bookings take part of this stock. Once done, just click on *Save* and your stock will be updated.

The screenshot shows the 'Edit stock for All Day: Day Pass with Sunbed for one (Thu, 28 Sep, 2023)' page. The left sidebar is the same as the previous screenshot. The main content area displays a form with the following elements:

- Breadcrumb: [Home](#) » [Administration](#) » [Commerce](#) » [Availability](#) » 8541
- Label: Stock \*
- Input field: A text box containing the value '4'.
- Button: A blue button labeled 'Save'.

## 3. Billing
