

# Automatization of PID Creation Process

How does it works?

# How does it work for commercials & agents?

# Billing Data Form

- The email and QR leads to a “Billing Data” form (see picture).
- The form must be completed with the customers information:
  - First page to be filled in with the client’s **company/agency details**
  - Second page to be filled in with client’s **personal details**

**!** IMPORTANT: The field “Your nominative corporate email” must be filled in with your personal corporate email address (x.xxxx@minor-hotels.com).

**!** IMPORTANT: The form must be filled in with the **client’s details**, not the hotels. In the email field, the customer's email must go, never the hotel's email.
