How to add a DDR in QT

NH | HOTEL GROUP

PART OF MINOR HOTELS

When selecting the Quotation Type options **"Only Fuction rooms" or "Rooms & Function rooms"** the DDRs block will be active in the MQ

Spain: Untick "Tax Inclusive" as per your country definition in TMS.

Italy: Tick "Tax Inclusive" as per your country definition in TMS.

If your forget to tick or untick it, QT will inform you that the mark will be changed automatically.

Message from webpage

⚠ Quotation TAX mark will be changed according hotel Tax definition, in order to allow quote DDRs.

The header at **Quotation input - Service Detail (Creation)** will include the DDRs block as follows:

Adding a DDR:

1. Select a type of DDR (PREMIUM or STANDARD)

2. Select the duration

3. The number of attendees

4

4. The set-up needed in the Main Room in the DDR

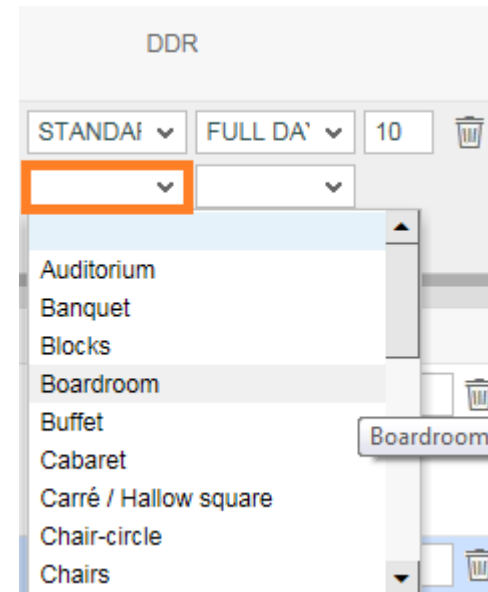

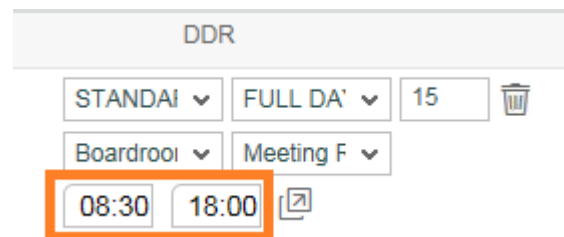

6. The type of room needed for this set-up
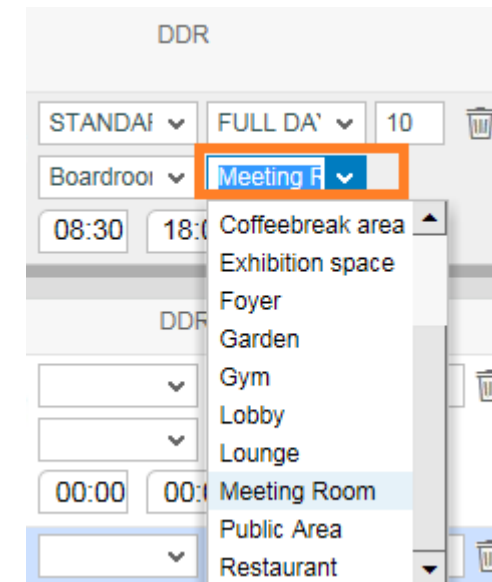

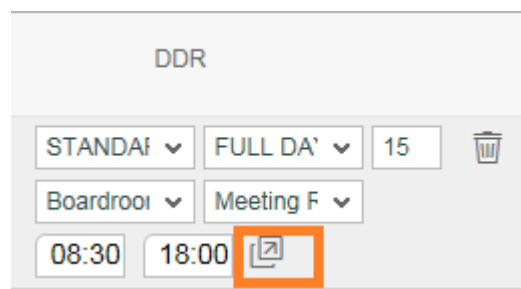

7. Select the schedule time needed as per your client request.
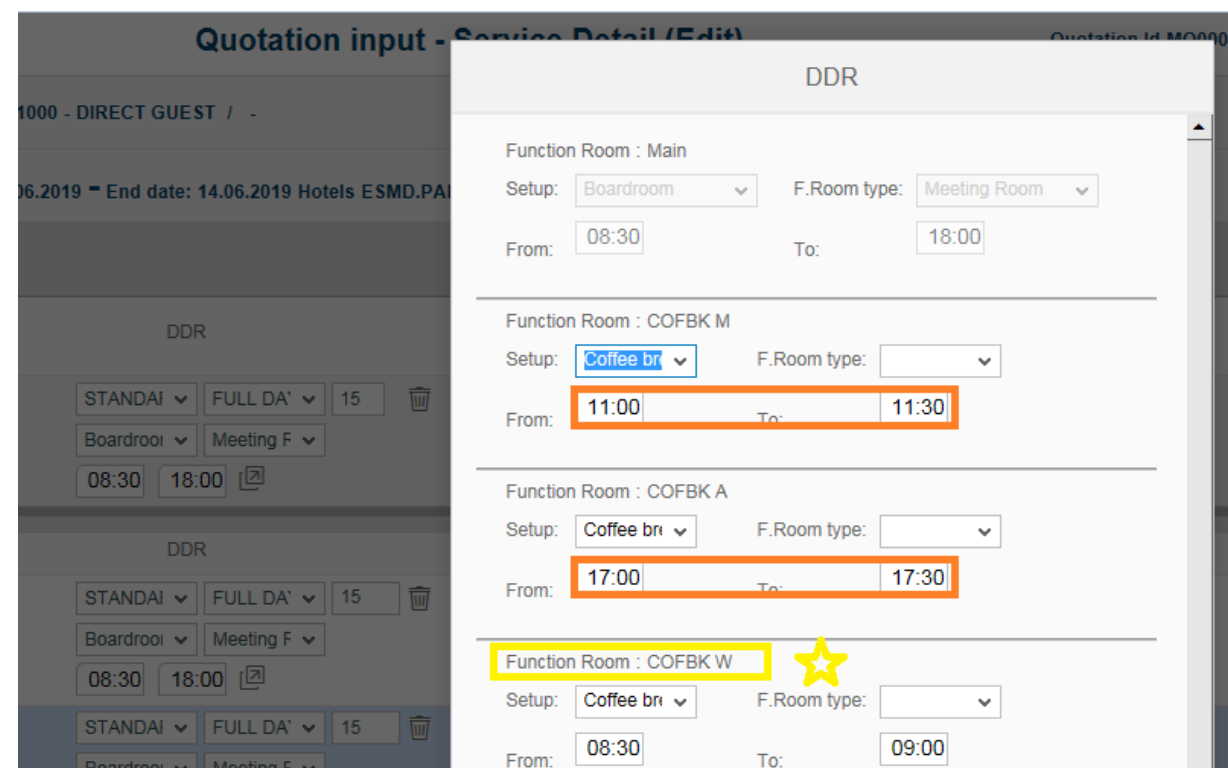

8. By clcking the arrow, we will be able to modify the schedule time pre-defined in the DDR

Note that a COFBF W will appear in this screen, we do not need to modify it and it will not be included in BUSE's DDRs. It is exclusively a composition for BUNE.
