# 1 QT Customizing, Menu.

The menus informed in this transaction must have:

- 1) End date must be the same as the “Date to” in the transaccion “Menu Type-Event Items” of Quotation Tool.
- 2) Sales Price must be informed
- 3) Unclick “do not use”
- 4) “Service type” informed (you can change in the event later)
- 5) Dishes must have price

## 1 QT Customizing, Menu.

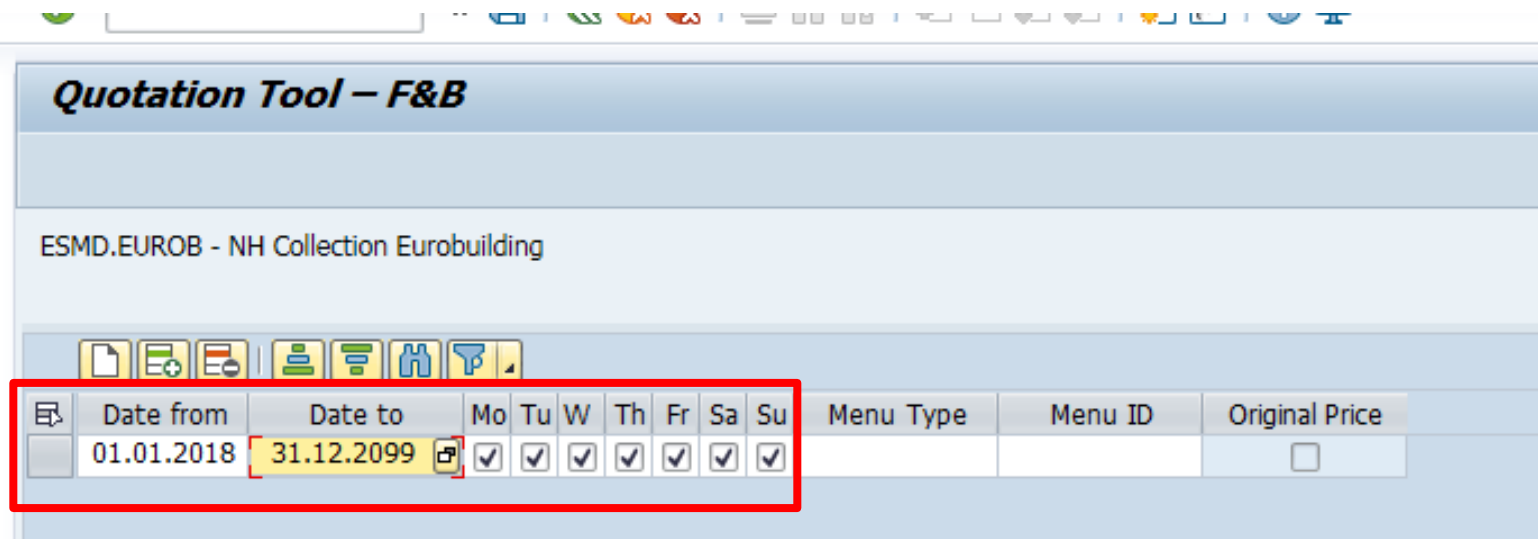

Before informing the menus in Quotation Tool transaction:

1. Choose the menus which you are going to inform.
2. Modify the menu as we told you in the slide before.

“Date to” must be the same date than “end date” in menu .

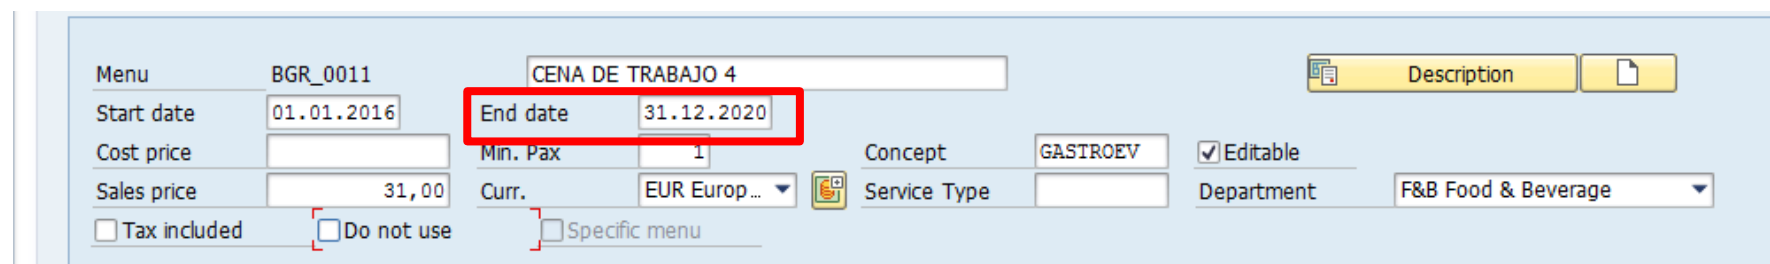

**Quotation Tool – F&B**

# 1 QT Customizing, Menu.

Select in “menu type” column, which menu type you are going to inform.

You have three options of business menú, coffee, buffet...

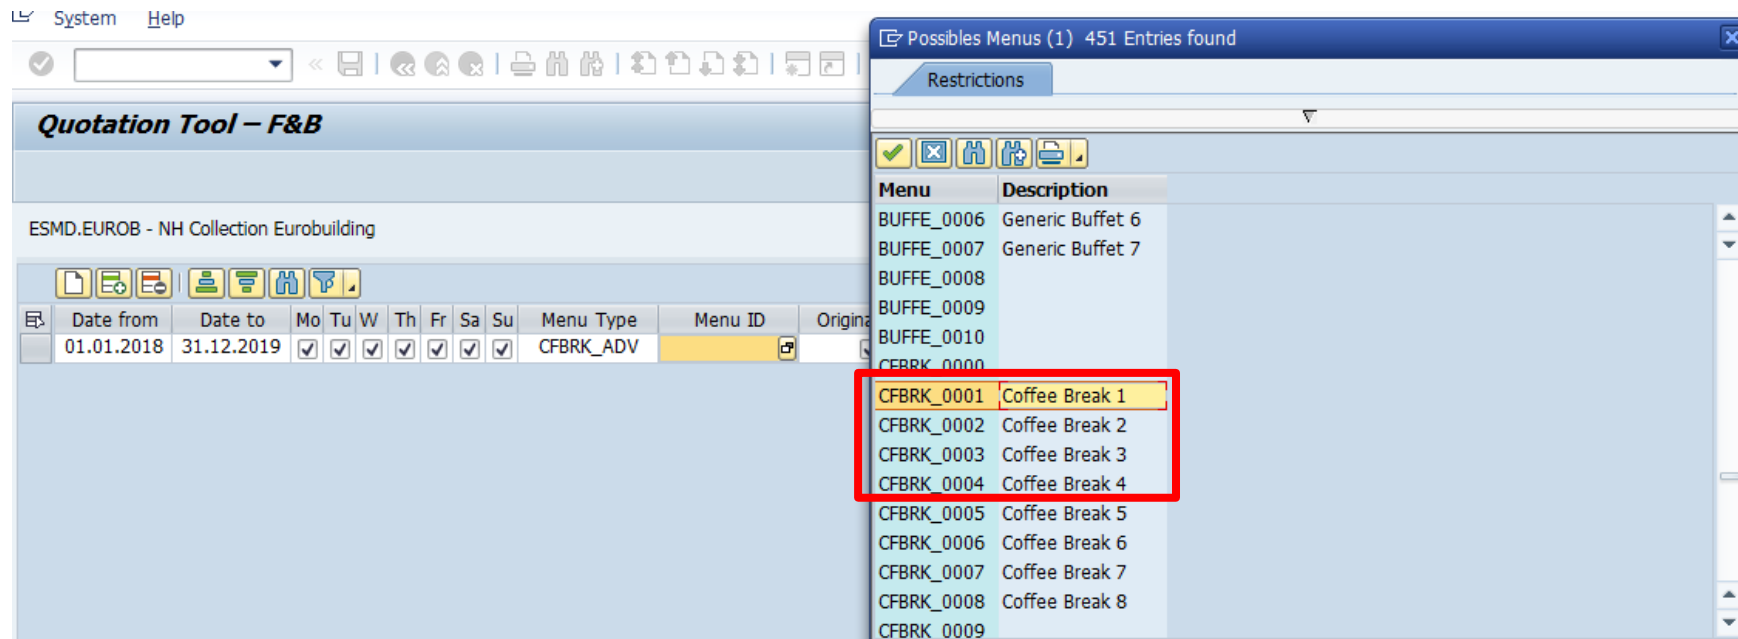

- Standard (the cheapest price)
- Advanced (middle Price)
- Premium (the more expensive price)

You will have probably more options of coffees, ítems...but we can only inform three options in this step.

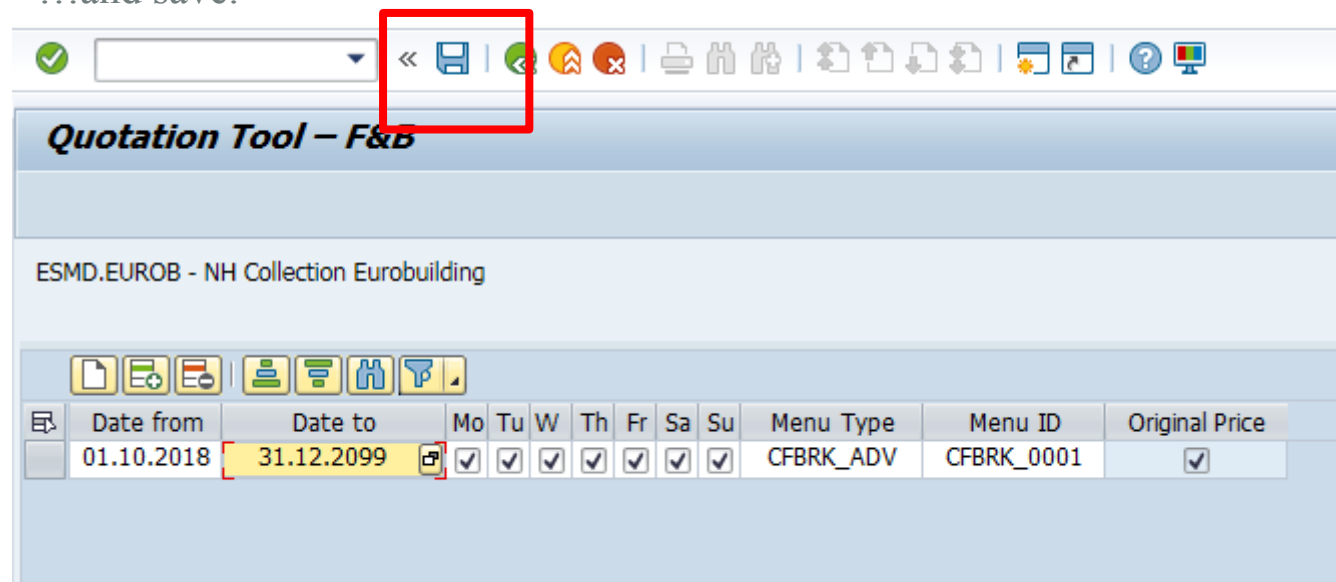

You can not repeat two “Menu Type”. For example you can not inform two Business Menu Advanced.

# 1 QT Customizing, Menu..

Select the menú...

...and save.

## 1 QT Customizing, Menu.

If you have only one menú or one coffee...please select this menu for the three types of menu:

- Standard
- Advanced
- Premium
